

NEW HEIGHTS WARREN FARM COMMUNITY PROJECT NEWSLETTER

Keeping you in the loop!

Hello everyone!

We hope you are all well and staying safe in the sun.

We have no doubt that today will be a big welcome relief for many of us, with the news from the government that six people can meet in an open space or private garden. For many of us this will mean that we are able to see our friends and relatives in small numbers. Please remember that we must remain two meters (six feet) apart from those we don't live with. There is still a pandemic and we must continue to look after ourselves and each other.

NEW HEIGHTS WARREN FARM COMMUNITY PROJECT NEWSLETTER

“Bringing communities together and helping those in need of help”

Kerry's Comments:

Hello everyone. I hope you are all well.

I've no doubt that you will all be looking forward to the slight easing of the lockdown restrictions effective as of today. Those of us not shielding can meet in small groups of six and those shielding can go outside. We must still stay two meters apart from those we do not live with and those who are classed as vulnerable must take extra precautions if going outside. **For further information and the latest government updates please visit:** <https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do/coronavirus-outbreak-faqs-what-you-can-and-cant-do>

Due to ongoing social distancing requirements, we are still unable to open our buildings and must continue to run services remotely. Sadly this means our community meals and group sessions will remain closed until further notice. When we do return, it is likely services will run quite differently for a while. We will provide more updates on reopening and changes to services as they are agreed.

In the interim, please remember that we are still available via phone, zoom and email. Below are our service contact details and opening times:
