

## NEW HEIGHTS WARREN FARM COMMUNITY PROJECT NEWSLETTER

**Keeping you in the loop!**

Hello everyone!

What turbulent weather we've had over the last week. Still, we hope you are enjoying the odd few days of sunshine we've been having. For some of us it's been a great fun hanging the washing out and then doing a 100 metre sprint to get it all back in 10 minutes later when the rain makes an appearance. Still, it's a great way to keep fit!

Just a quick reminder that delivery of services and access to our sites has changed. **As of the 8th August it is law that face coverings must be worn in community centres or when accessing a professional service.**

We ask that you do not attend either site unless you call in advance and have a pre-arranged appointment. If you attend a face to face appointment you will be asked to wear a face covering. If you are unable to wear a face covering you must advise the staff member when making the appointment so that alternative options can be discussed.

We will be keeping the number of face to face appointments to a maximum of three per day and will only be offering on an emergency basis. We appreciate this may be frustrating for many, however as the Covid rate in Birmingham continues to rise, we must do our best to manage the risks to staff and service users.

**We thank you for your continues support and understanding.**

### Kerry's Comments:

Hello everyone!

I hope you are all doing well.

It's been lovely to see lots of smiley faces passing by the building. It really is a pleasure to be back.

I'm sure lots of you have heard that Birmingham is currently on a watch list due to a rise Covid-19 cases. We would like to reassure you that we are doing everything we can to ensure we minimise all risks to staff and service users. It is for this reason we ask that you do not attend either St Johns Centre or the café without an appointment.
